As the mercury is soaring high resulting in an unbearable scorching heat, it's very important to put on comfortable & easy clothes especially for Indian women who mostly prefer to wear sarees. In this burning heat, it is not possible to wear a heavy Printed saree; so it's time now to add colorful & trendy casual light colored printed sarees in your closet that will make your summer cool. Printed Casual Sarees are the ideal attire for those women who are working or those who always prefer to put on sarees.

Usually
Occasion
Printed silk sarees are a popular garment in India favoured by the rich and poor alike. Printed silk sarees that have fewer embellishments and rely more on the pattern and quality of material are favoured by working women because they are light in weight and easy to wear. These are daily use garments that are worn by women at home and in the office. More extravagantly detailed Sarees in terms of designs and embellishments are usually occasion wear.

Natya
Shastra
In early Indian tradition and the Natya Shastra (an ancient Indian treatise describing ancient dance and costumes), the navel of the Supreme Being is considered to be the starting place of existence and creativity; hence the midriff is to be left uncovered by the saree.
