(UPADA SILK WITH BANARASI DUPPATA)

The beauty of a woman is not in a facial mode
but the true beauty in a woman is reflected in her
soul. It is the caring that she lovingly gives
the passion that she shows.

THE ROYALTY

Beauty is a manifestation of secret natural laws,
which otherwise would have been hidden from us
forever. The best part of beauty is that which no
picture can express. Beauty awakens the soul to act.

The Special You
I dress the way I want.
I don't pretend to be someone I'm not.

I appreciate simplicity, true beauty that lasts over time, and a little wit and eccentricism that makes life more fun. There is in true beauty, as in courage, something to which narrow souls cannot dare to admire.

Since love grows within you, so beauty grows.
For love is the beauty of the soul
inner beauty should be the most important
part of improving one's self.

22064

Beauty is the first present nature gives to women
and the first it takes away. Beauty is when
you can appreciate yourself. When you love
yourself, that's when you're most beautiful.

22062

The beauty of a woman must be seen
from in her eyes, because that is the
doorway to her heart, the place
where love resides...
