**kimora**

India, one of the oldest civilisations of the world, has a colourful culture, influenced by continuous integration of migrating empires and dynasties. They left behind a boundless stream of tales, those that transcended ancient histories and transformed into myths and legends.

One such saga is Kimora.

Kimora creates a world of imagination and splendour with designs inspired by the Indian regalia, of the forgotten era of luxurious fineries, palaces, art.

Embark upon a historical adventure through our new range of sarees, stitched together with a new expression, a new destiny.
