essence to be seen

A woman with dark hair and gold jewelry is wearing a light green long-sleeved top with gold embroidery and a purple shawl with gold patterns. She is posing against a wooden background.

I see / I don't see into people. Don't make friends with you, but you wish I was you, yet you want to escape by the way you show and do to your life.

Reflections
Fashion has a reflection of the past,
and we find it in the present and future.
