Essense of Perfection.

People are like stained - glass windows, They sparkle
and shine when the sun is out, but when
the darkness sets in, their true beauty is revealed
only if there is a light from within.

Graceful in
Apprance

I appreciate simplicity, true beauty that lasts over time and a little with and eclecticism that make life more fun.

Celibrate your
Sophisticated Side

Real beauty is to be true to oneself. That's what makes me feel good.
Beauty is the first present nature gives to women and the first it takes away.

Look young
Gracefully

Since love grows within you, so beauty grows. For love is the beauty of the soul
Inner beauty should be the most important part of improving one's self.
