Whoever said that money can't buy happiness, simply didn't know where to go shopping.

What's my style is not your style, and I don't see how you can define it.  
It's something that expresses who you are in your own way.

The best things in life are free. The second best are very expensive. . .

Luxury is the ease  
of a KURTI in a very expensive dress.

Fashion you can buy, but style you possess.  
The key to style is learning who you are, which takes years.  
There's no how-to road map to style. It's about self expression and, above all, attitude.
