Geometric Prints

As printing methods & techniques have evolved, the patterns we wear have changed a lot. Earlier, floral patterns were the only type of prints available but as the technology changed, prints styles have also changed although floral prints being the most common along with geometric prints, abstract prints, animal prints etc. coming in vogue of late years. All these prints we wear give a chic & fashionable look to every woman.

Bright and Vivid

Printed sarees are made from the summer friendly fabrics like Chiffon, Cotton, Crepe, Georgette etc. which are the best for these seasons. Normally, these types of printed sarees have a new printed pattern which are all over the saree without a border. These bright & vivid colored sarees with eye-catching trendy printed patterns are a must for summer & even for everyday wear.

Skill
Weaving

The Indian subcontinent is well known for its Cotton Printed products. The skill of weaving and dyeing of cotton was recognized in India more than 5000 years ago. Every region has its own time-tested cotton weaving practice. Every state of India has its own specialized area of expertise in Printed fabric, each different in pattern, texture, motifs, printing techniques and colors.
