There is beauty in a woman whose confidence comes from experiences; a woman who knows she can fall, pick herself up, and move on. The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she carries her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. True beauty in a woman is reflected in her soul. There is beauty in all things, you just need to look close enough. I'm a passionate believer in the inherent creativity possessed by all people and our inherent ability. It's not doubted by convention to appreciate authentic beauty in all forms, whether we like it or not. The perfect matching accessory for your saroj is not the jewelry but your smile.
