Arena Fashions

A House of Designer 'Kurtis'

A vintage lantern with a glass chimney and metal frame sits on a rustic wooden bench. The bench is made of thick, dark wood with visible grain and some peeling paint. In the foreground, a corner of a red, patterned fabric is visible. The background is a textured, mottled brown wall. The scene is dimly lit, with a warm, golden glow emanating from the lantern. Overlaid on the image is a decorative, swirling pattern in a light gold color. Centered within this pattern is the text: "Wrap yourselves with some praiseworthy collection which represents versatility of fashion." The word "Wrap" is written in a large, ornate, gothic-style font, while the rest of the text is in a smaller, simpler serif font.
