There is no true beauty, as in courage, something  
which every soul cannot dare to admire.  
Real beauty is to be true to oneself.  
That's what makes me feel good.

# AN EVERY WOMAN IS A QUEEN

The beauty of a woman is not in a facial mode but the true  
beauty in a woman is reflected in her soul. It is the caring  
that she lovingly gives the passion that she shows.  
The beauty of a woman grows with the passing years.

Real beauty is to be true to oneself. That's what makes me feel good.  
Beauty is the first present nature gives to women and the first it takes away.  
Beauty is when you can appreciate yourself. When you love yourself, that's  
when you're most beautiful.
