Fashion  
is about dressing  
according to what's fashionable.  
Style is more  
about being  
yourself.

Fashion  
is anything which is you  
and reflects your personality,  
and if you are comfortable  
with what you wearing,  
you'll look  
trendy and fashionable  
for sure.

URBAN ETHNIC WEAR

Fashion  
is not something  
that exists in  
dresses only.  
Fashion is in the sky,  
in the street,  
fashion has to do with  
ideas,  
the way we live,  
what is happening

I love fashion,  
and I love changing my style,  
my hair,  
my makeup,  
and everything  
I've done in the past  
has made me what I am now.  
Not everyone is  
going to like what I do,  
but I look back at everything,  
and it makes me smile.
