Elegance is usually confused with superficiality, fashion, lack of depth. This is a serious mistake: human beings need to have elegance in their actions and in their posture because this word is synonymous with good taste, amiability, equilibrium and harmony.

VAARAH

It's a new era in fashion - there are no rules. It's all about the individual and personal style, wearing high-end, low-end, classic labels, and up-and-coming designers all together.

No wonder fashion is the subject of so many memorable soundbites. We are passionate about all things sartorial - from design to models and actresses - have a habit of musings on our favourite
