Vintage

Belliza[®]
Designer Studio

A vintage-style floral illustration on a dark navy blue background. The central focus is a dark blue diamond shape containing the word "Vintage" in a white serif font. Surrounding this central element are various botanical illustrations: clusters of blue leaves with white variegation, small white flowers with yellow centers, and small orange flowers. White leaf silhouettes are also visible behind the central diamond.

Vintage

ETHNIC FEELINGS

Style unmatched. Passions like never before. The many faces of Belliza's new designs. Choose from our extensive collection and experience the world around you. Sometimes perfection is born out of simplicity. Designed in India, draped in elegance and look simple yet elegant, you end up looking simply elegant. The world is yours. Go for it.
