WESTERN HISTORY

The mere mention of the word 'luxury' throws up instant images of grandeur, high fashion, designer clothing, fashion shows, Parisian catwalks, magazines, Page 3, and a host of other sensualised appeal. It is another fact that luxury is much more than just design, fashion is a lifestyle, and fashion is just a minor part of it.

However, to the most visible, conspicuous part of the overall luxury trade, fashion has also been quite an important generation.

The more mention of the word 'luxury' throws up instant images of grandeur, high fashion, designer clothing, fashion shows, Hollywood glamour magazines. Page 3, and a high dose of materialism and excess. It is not true that there is much more than just fashion and luxury in the world. Fashion is just a minute part of it. However, the one most visible and common part of the overall lifestyle, fashion has been quite an important part of it.

The mere mention of the word 'luxury' conjures up instant images of grandeur, high fashion, designer clothing, fashion shows, the glitz and glamour of magazines, Page 3 and a host of social and cultural aspects. It is no overstatement to say that we are living in an era of luxury as a lifestyle and fashion. The concept of luxury has evolved. It is no longer the realm of the rich and the elite. It is now a part of the lives of the middle class and the working class. It is a part of the lives of the people who are striving for a better life. It is a part of the lives of the people who are striving for a better life. It is a part of the lives of the people who are striving for a better life.

The mere mention of the word 'luxury' throws up instant images of grandeur, high fashion, designer clothing, fashion shows, Bollywood, glossy magazines, Page 3, and a high dose of sensual-visual appeal. It is another fact that luxury is much more than just fashion. Luxury is a lifestyle, and fashion is just a minuscule part of it. Businesswise the most visible or voluminous part of the overall luxury trade, fashion has also been quite an employment generator.
