The beauty of a woman is not in the clothes she wears,  
the figure that she carries, or the way she combs her hair.  
The beauty of a woman is seen in her eyes, because that  
is the doorway to her heart, the place where love resides.  
True beauty in a woman is reflected in her soul.

There is  
beauty  
in all things,  
you just need  
to look  
close enough.

I'm a passionate believer in the inherent creativity possessed by all people and our inherent ability if it's not clouded by convention to appreciate authentic beauty in all forms, whether we like it or not.

There is beauty in a woman whose confidence comes from experiences;  
a woman who knows she can fall, pick herself up, and move on.
