*The Sparkling you*

*If all the things in heaven and earth were to have souls, they would say to each other, 'How good it is that we have souls! It is better not to be anything than to have no soul.'*

Vol. 2

*A priceless*

*If all the things in heaven and earth had souls, mine would have to be the least of them, for you look on the stars, think of the little smiling faces (the stars the rest)*
