## *Endless Beauty*

Beauty awakens the soul to act. I don't think of all the misery but of the beauty that still remains. Exuberance is beauty.

Beauty is in the heart of the beholder. Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever.

*Glamour is Everything*

Beauty is a manifestation of secret natural laws, which otherwise  
would have been hidden from us forever. People are like stained - glass windows.  
They sparkle and shine when the sun is out, but when the darkness sets in, their  
true beauty is revealed only if there is a light from within

*Enrich your wardrobe*  
Beauty comes in its own form. Fashion is what you wear.  
You have to keep yourself lovely on the outside too.
