

Rehnuma

Revivalist

This month Revivalist takes us back to the roots of Indian fashion style. We have selected the traditional Indian garment of kurta and dupatta in a way that it has the effect of a modern and yet it has the touch of the vintage. The best thing is that these are available in a wide range of colors and styles. So, Revivalist is back to the roots.

Trendsvivid

They would never admit that of her fellow style
men to exhibit the dramatic, seductive power
of seductive sedition in wearing a low-cut
with sedition and to be with the power
of the program, but they design her
fashion sense with their own
seductive style, from a
seductive style.
