Think austere natural fabrics and muted hues. Monastic chic conjures the idea of a spiritual asceticism that has no space for frivolous fashion. But if it ever did, these designs asymmetrical, textured, hooded and draped would be responsible.,

They may be for the better or the worse.....
but it is the essence that really matters. The change of
fashion trends is the
additional proof of this

Fashion color trends and
accessories trends are
but a few fashion trends
to mention. However, the
recent accessories fashion
trend presupposes that
these two items should
be of different colors.
This innovation is
comparatively hard to
get used to, so a good
percentage of fashion
enthusiasts keep on their
former habit of matching
the shoes and the purses.
There is Who knows, the
accessories fashion may
change tomorrow back
to what it originally was.
