

NARGIS

Heavenly Queen...

When you love fashion,
there is no weekend.
Everything just blends
together. Fashion is about
how you place the
object on the person.

It is the caring that she lovingly gives the passion that she shows.
The beauty of a woman grows with the passing years.

➤ D.No. 1006 ◀ I appreciate simplicity, true beauty that lasts over time, and a little with an eclecticism that makes life more fun.

In love fashion & there is no easier way to express yourself than through the clothes you wear. The difference between style & fashion is quality.

► D.No. 1004 ◀

The hardest thing in fashion is not to be known for a logo, but to be known for a silhouette. Fashion is what you adopt when you don't know who you are.
