Fashion is not something that
exists in dress only, fashion is
in the city, in the street, fashion

Marvellous

Fashiobista

The difference between style & fashion is quality. Fashion is a great thing, its a way to express who you are. Fashion is inspire by youth & nostalgia & draws inspiration from the best of the past. Fashion is almost like a religion, for me atleast.

*A Collage
of elegance
It should really be contemporary,
and we should be answering
people's needs*
