It's very important to feel good in my clothes. I like fashion that suits me. I don't take it too seriously.

*I love fashion, and I love  
changing my style, my hair,  
my makeup, and everything  
I've done in the past has  
made me what I am now.  
Not everyone is going to like  
what I do, but I look back  
at everything and it makes me  
s m i l e .*

*Elegance is usually confused with superficiality, fashion, lack of depth. This is a serious mistake: human beings need to have elegance in their actions and in their posture because this word is synonymous with good taste, amiability, equilibrium and harmony.*

*Fashion is part of our  
culture, and it's about more  
than just a pretty dress.*

*Be sure what you want and  
be sure about yourself.  
Fashion is not just beauty,  
it's about good attitude. You  
have to believe in yourself and  
be strong.*

*That is the key of  
this collection, being  
yourself. Don't be  
into trends. Don't  
make fashion own  
you, but you decide  
what you are, what  
you want to express  
by the way you  
dress and the way to  
live.*
