SENSATIONAL

SILK TO BRING THE DRAMA TO DREAMY

A Silk saree is not a mere garment — it is a canvas testifying to the seductress's boundless ability. It's also a personal passport to a world of sorts, with a grandmother or the mother handing her down, or the next generation with the saree. There's a generous play of colours, where traditional hues are met together to create with each thread, intricate and fine art. So be it a daily wear, saree with the saree's dramatic flare.
