The glory of dusk

When the world is weary and on the verge of retiring, is when she comes out to the sands. The magnificent colors of her dresses drive away every bit of langor from weary hearts. They come as servants, and leave as richer than ever before with this blessed experience!

A present from paradise

Even today, many from within the desert and without whisper of the origins of the divine damsel of yore. They know such perfection cannot emanate from anywhere but heaven. The worksmiuths of her fine garments chuckle in secrecy.

Mysteries of the sands

Many have trod along the path of no solace and comfort to seek anointment in her presence. And as they stumble, tired and lost and with no destination in sight, their helpless souls spot her, in her true glory. And in her beauty, they discover salvation.

The most priceless treasure

She stands pure and special, like an oasis in the desert. And so, those captivated by her and her saviour guard her with all their lives. She smiles, knowing this spell will never break.

The Queen of hearts

In distant lands, her tales her told. With her charm, you forever she does engold!

A portait of grandeur

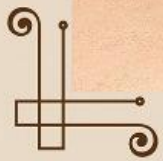

Many an artist have tried to capture her beauty on canvas, and yet they fail. Because while paint fades after a while, her beauty and the splendor of her dress remain immortal in their charm.
