

Dream design

People are like stained - glass windows.
They sparkle and shine when the sun is out, but when the darkness
sets in, their true beauty is revealed only if there is a light from within

Beauty beat

There is in true beauty, as in courage, something which narrow souls
cannot dare to admire. Real beauty is to be true to oneself.
That's what makes me feel good.

Classic Forever

Beauty is when you can appreciate yourself. When you love yourself,
that's when you're most beautiful!

Fragrance glamour

The beauty of a woman is not in a facial
mode but the true beauty in a woman is reflected in her soul.

Sensible Colour

The beauty of a woman must be seen from in her eyes,
because that is the doorway to her heart, the place
where love resides....

Reflects personality

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever
