The glowing lamisels

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses, which are a source of great envy to all those who don't possess them.

The beauty paradise

If grace was weighed in gold, theirs would be priceless. As they realize their own value, they smile from their innermost core. And that enhances their beauty a thousandfold. All those who behold these nymphs in their splendor, clad in immaculate saris bow their heads in reverence.

A close-up portrait of the woman, framed by a decorative border. She is wearing the same orange kurta and grey salwar. The background of the entire advertisement is a faint, artistic illustration of a woman's face.
