Beauty is the first present nature
gives to women and the first it takes away.

D.No. 9107

A woman with dark, curly hair is seated, wearing a vibrant green saree with a blue border and a matching blue blouse. She is adorned with a necklace, earrings, and bangles. To her left is a large bouquet of white and pink flowers. The background is a deep green wall. The image is split vertically, with the left half showing a blurred floral pattern and the right half showing the woman and flowers in sharp focus.

Gorgeous Beauty

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

*Beauty is power;
a smile is its sword*

I appreciate simplicity, true beauty that lasts over time, and a little wit and eclecticism that make life more fun. There is in true beauty, as in courage, something which narrow souls cannot dare to admire.

Dazzling Glamour

Beauty is when you can appreciate yourself. When you love yourself,
that's when you're most beautiful.
