BE Yourself

Talent is a gift.
It only flows within a person.
One at a time we give it to the world.
In a moment of time, it is
not identified by others.

BE
Magical

From death comes to birth
From pain comes to joy
From darkness comes to light
From sorrow comes to hope
From despair comes to faith
From loss comes to love
From grief comes to peace
From anger comes to forgiveness
From hate comes to compassion
From fear comes to courage
From doubt comes to faith
From despair comes to hope
From loss comes to love
From grief comes to peace
From anger comes to forgiveness
From hate comes to compassion
From fear comes to courage
From doubt comes to faith

BE Magical

From black ombré to mint
green, dainty petals have
been dusting up the runway.
Tulle skirts and tulle blouses
are the fall.
