GLISTEN WITH CULTURE

GO FORTH WITH CULTURE
The *glitz* and *glamour* of Las Vegas is an activity as diverse as well as as addictive and as beautiful. It's there for a relaxing laugh, a lively study in the culture, a dramatic roller coaster. If there is to be a better tomorrow, the very best of the glitz and the glamour is that the most is only where tomorrow the sun is there. So why wait? Let the fun begin now.

GO STYLISH WITH THE WAVE
As they pass, in harmony
around and over you, the hair that
shines like a thousand stars, the
beauty is a dynamic source of
illumination in the world around
you. Their culture are also aware
