# A gleaming Heritage

When you love fashion, there is no weekend. Everything just blends together. Fashion is about how you place the object on the person.

Everything has  
*beauty*

The beauty of a woman must be seen  
from in her eyes, because  
that is the doorway to her heart,  
the place where love resides

# Marvellous Fashionista

The difference between style & fashion is quality. Fashion is a great thing, its a way to express who you are. Fashion is inspired by youth & nostalgia & draws inspiration from the best of the past. Fashion is almost like a religion, for me atleast.

Conformity is the only real fashion crime.
