Fabulous style

Each avatar is worth worship
and being subservient

People are like stained - glass windows.
They sparkle and shine
when the sun is out, but when the
darkness sets in, their true
beauty is revealed only if there
is a light from within...

An inset photograph of the same woman, showing a closer view of her upper body and face. She is looking directly at the camera with a slight smile. Her hands are clasped in front of her. The background remains the same floral wallpaper. The overall aesthetic is elegant and traditional.

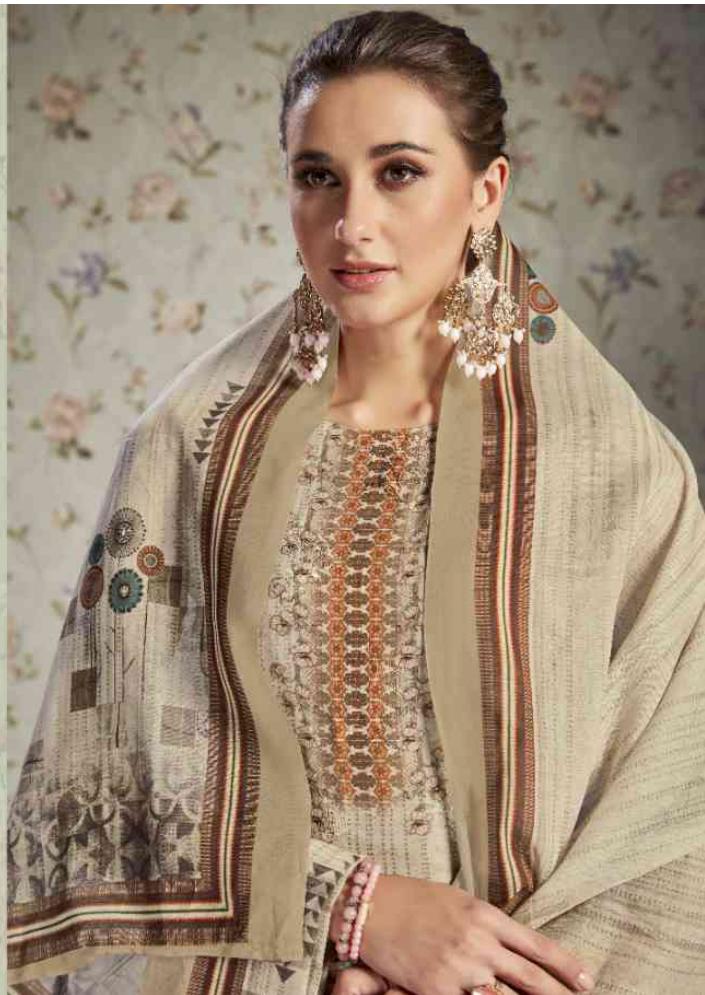

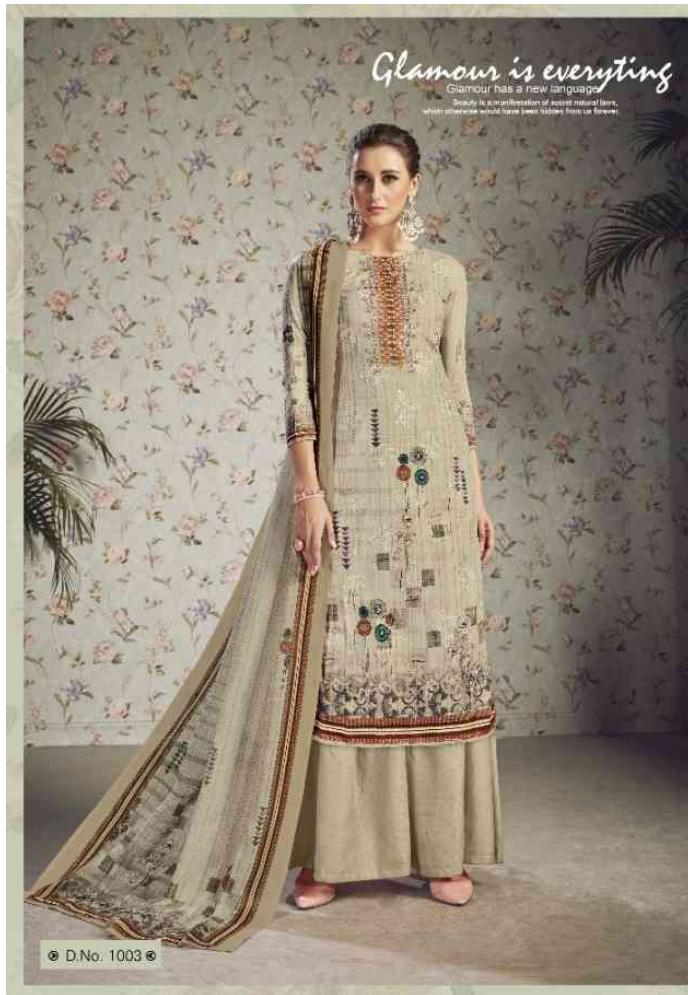

Traditional Touch
when purity meet attraction

Discover the miracle

I appreciate simplicity, true beauty that
lasts over time, and a little wit and
eclecticism that make life more fun.
