A GLITTERING AFFAIR

Feel like a neo-classical princess, with a touch in Indian!

Fashion is a language some know it, some learn it, some never will like an artist. Fashion is a start language. Fashion should be a form of expression & not a form of representation.

The Perfect Balance of....

MODERN DAY TRENDS and traditional attire

Fashion is about dressing according to what's fashionable style is more about looking yourself. If fashion fades only style remains. The same is true fashion & there is no easier way to surpass yourself than through the clothes you wear...

Always be the
REIGNING ROYAL
For nothing says royal
quite like cream and gold combined

The hardest thing in fashion is not to be known for a logo, but to be known for silhouette. Fashion is what you
admit when you don't know who you are.

Reimagine the
FESTIVE DRESSING
With this modern day dress.....

Fashion is inspired by youth & nostalgia & draws inspiration from the best of the past. I dress for the image, not for myself; not for the public, not for fashion, not for men....
