HAVE IT YOUR WAY

Fashion is a tool. To compete in life outside the home. People will like you better, without knowing why, because people will react well to a person they like the looks of.

D.no-172

Women are, without the look this society wants, they have to wear make-up. I don't have great legs, I'm not one of the alternatives I wanted. I'm the woman who lives and works, not the woman in a painting used to all beauty.

COLOUR YOUR LIFE

Fashion should be a form of escapism,
and not a form of imprisonment. Don't
forget to fall in love with yourself first.
Dress like you're going to meet your
worst enemy today.

FASHION
AND
BEAUTY

Fabric with a feel of tradition,
a touch of glamour, a steady
stream of colours to enhance
your beauty

QUALITY
NEVER
GOES OF
STYLE

Fashion is a trend. Style lives within a person. Fashion is a language. Some know it, some learn it, some never will like an instinct.

A STYLE FOR EVERY STORY

Clothes are like a good meal, a good movie and great pieces of music. Dress like you're going to meet your worst enemy today.
