## *Elegance of the yesteryears...!*

Beauty is what you makes of yourself  
not how act, how you dress,how much  
makeup you wear. it's how you present yourself.

*Melanie Day*

*Be sure what you & be sure about yourself. Fashion is not just beauty, it about good attitude you have to believe in yourself & be strong.*

*Strongest fashion*  
Statement of the season and bold prints give fashion  
a quite attitude and exotic effect

*The fashion couture*  
Fashion is not necessary about labels its our about character  
is about something else that comes from within

# Glamour

The beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the place where love resides
