Stepping up to fashion

"Luxury is the use of a talent in a very expensive way."

"Fashion is very important. It is life-enhancing and like everything that gives pleasure, it is worth doing well."

QUALITY NEVER
GOES OUT OF STYLE.

*"Fashion you can buy, but style you possess.
The key to style is learning who you are,
which takes years. There's no how-to road map to style.
It's about self-expression and, above all, attitude."*
