VOL-25

A mere glance at her, and the world comes to life. Looking sensational in her dress, the pampazza follows her asking her questions about her culture, her dreams and most important her dress. She greets them with a smile. The smile; nothing...and yet everything. She is a star and the world is in love with her. She stands in a land known for its culture, its heritage, its beauty and its mind boggies. And yet, with her beauty, her charm and the grandeur of her attire, she outshines the magnificence of the land around her. Clad in majestic blue, she is freshness in the stark desert landscape...an image to cherish.
