BEAUTY PRINCESS

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whichever the world had lost is contained in their bodies and in their smiles, which shines with the purest gold. They were carved from desire, and so too their dress, which are a source of great joy to all those who don't possess them.

UNIVERSAL GRACE

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smiles, which shines with the purest gold. They were carved from doves, and on top their brows, which are a source of great joy to all those who do not possess them.
