ANANYA-2

My listeners about the urban woman in the year 2020. I think about obscure, weird things and try to create a world around them.

Fashion is the part of the daily air and it changes all the time, with all evens.
You can even see the approaching of a revolution in clothes.

When you don't dress like everyone else, you don't have to think like everyone else.

Never, ever confuse what happens on a runway with fashion.

when a woman pays it on.
Being well dressed hasn't
much to do with having
good clothes.
