DESIGNED WITH PASSION

Zubeda - 3

Life *evolves from sand*

1007

The King is besotted with him. With her looks, with her mannerisms and with the way she dresses. Her sort of it is imprinted in the inner recesses of his heart and soul. He wants to marry her and bring her to his palace. But he hesitates. Because even his palace with all its splendour is inadequate for someone so divine. He dreams, and sometimes pines for him.

The King is besotted with her. With her looks, with her mannerisms and with the way she dresses. Her portrait is imprinted in the inner recesses of his heart and soul. He wants to marry her and bring her to his palace. But he hesitates. Because even his palace with all its splendour is inadequate for someone so divine. He dreams, and sometimes pines for her.
