"There's nothing here for who I'm supposed to be today."

*Every day is a fashion show
and the world is your runway.*

Never, ever confuse what happens on a runway with fashion. A runway is spectacle. It's only fashion when a woman puts it on. Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense.

*Outfits that will make you
comfortably beautiful.*

Fashion's greatest talents often
prefer to let their designs speak for them,
but even the most inarticulate creatives
have been known to let slip
a memorable quote on occasion.

Sweet clothes for sweet you.

"In difficult times fashion is always outrageous."

[Fashion design] is always about today and tomorrow.
Nobody cares how good you used to be.
