EDGE

It's a history of struggle. During the past century, it was the costume and designers that told the boundaries of the modern before reality set loose itself. The liberation of women from sexual confinement, the creation of modern-day clothing, tops, trousers, sweaters, blouses, blouses, blouses, blouses, blouses and more variations of modern-day clothing, set such a clear mark of the modernity, however and creative genius of individuals who were in their lifetime of style and cultural movement.
