COZY KURT WITH
TASL TROUSER

A close-up photograph of a woman wearing a dusty rose-colored dress. The dress features intricate floral embroidery in red, pink, and green threads along the neckline, sleeves, and hem. She is wearing a large, ornate ring with a multi-faceted, iridescent stone set in a dark, textured metal. Her hand is resting on her chest, and she is also wearing a simple gold-toned bangle on her wrist. The background is a soft, out-of-focus white surface.
