NYCIL SILK

If you wish to go festive with your look, the charm of silk never fades away. Introducing, a never seen before material, the untouched soft silk that offers just enough celestial sheen with a blissful blend of diamond studded pavements and rich ghicha zari work running through the length of blouses and borders of the attire. Enjoy a red-carpet moment of your own as you drape yourself with yards dipped into the dark side of the colour spectrum, making it oh-so-heirloom-worthy.
