What you wear is how you present yourself to the world, especially today, when human contacts are so open.
Fashion is silent language. You can have everything you want in life if you dress for it.

*Fashion is very important. It is life-enhancing and, like everything
that gives pleasure, it is worth doing well.*

Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good common sense. Clothes mean nothing until someone lives in them.

"Everyone can get dressed up and glamorous, but it is how people dress in their day-off that are the most intriguing."

Never, ever confuse what happens on a runway with fashion. It never is. It's only fashion when a woman puts it on.
Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."

Elegance is not wearing out, but being remembered. The hardest thing to achieve is not to be known for a long time, but to be known for a lifetime.

*Real style is never right or wrong. It's a matter of being yourself
on purpose. Don't be into trends. Don't make fashion an effort.
Just decide what you are.*

Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good common sense. Clothes must suit you, and you must suit them.

Being well dressed isn't much to do with having good clothes. It's a question of good balance
and good common sense. Clothes mean nothing until someone lives in them.

(Fashion is about dressing according to what's fashionable. Style is more about being yourself)
(Style is something each of us already has, all we need to do is find it)
