When you don't dress like everyone else, you don't have
to think like everyone else.

Fashion

*Fashion is not something that exists in dresses only. Fashion is in the sky, in the street,
Fashion has to do with ideas, the way we live, what is happening.*

SV SHUBH ^{mx}

I wear my sort of clothes, to save me the trouble
of deciding which clothes to wear.

SN SHUBH^{INX}

I love green because it affirms, designs, and styles.
A woman in a black dress is a pencil stroke.
