श्रीमद्वरुणा

"Don't be too hard on me. Don't make me feel like you're not really my friend. What you want to express is
you're not really my friend."

शिवरत्न

Fashion is part

of life. It is not just about the clothes we wear, but about the way we live. It is about the way we express ourselves, the way we connect with the world around us. It is about the way we make a statement, the way we tell our story. It is about the way we embrace change, the way we embrace who we are. It is about the way we live, the way we love, the way we are.

Fashion is past

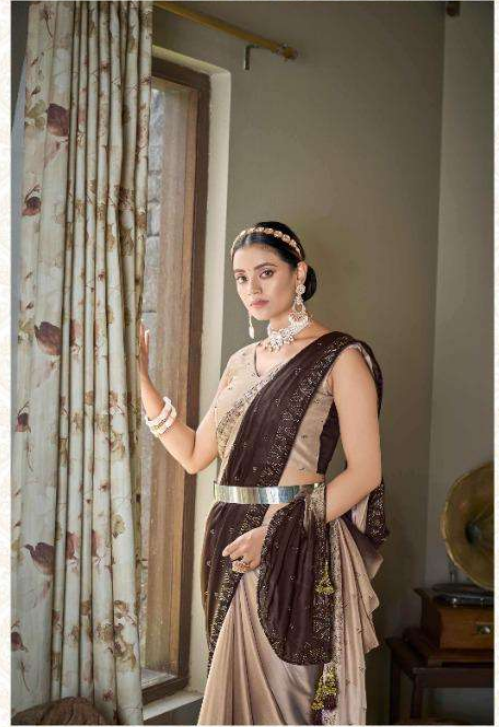

"Fashion is part of the body and it changes all the time, with all the events. But you must not
the opposite thing of a revolution in clothes. You must not
and not everything is fashion."
