The Gulshan collection features two models in a garden setting. One model wears a teal kurta with gold embroidery and a matching dupatta, while the other wears a dark purple kurta with gold embroidery and a matching dupatta. The background shows a classical building with arches and columns. The brand name 'psyna®' is visible in the top right corner. The collection name 'GULSHAN' and the number '1005' are displayed below the models. A close-up inset shows the intricate gold embroidery on the neckline of the purple outfit.
