Encircled in bliss

As they gaze into the mirror, they're struck by the skin tones that surround it in their reflection. They believe that
being so close to a world of nature, and all its beauty, is the most beautiful thing they've ever seen. They are so in the
moment, so close to the heart of nature, that they are in the heart of nature.

Pure class

When they talk, the world listens. When they smile, the world narrows to one. When they stand up in their amazing garments, the world forgets its troubles. These models are carried out of pure class, and so too their magical—
aloud!

A reflection of purity

As they gaze into the mirror, they are struck by bewilderment. Not knowing it is their reflection they behold they imagine to be a world of wonder and colour encompassed in the embrace of those glossy walls. They marvel at the beauty within, clad in threads of utmost magic.

Dazzling patterns

Some say they are just patterns. They're remakes from a time when the world was younger and more beautiful. They've been carried into the creases of garments of these flawed machines, for only they can bring about this again with our grace and style.

Some apatun are kept in their own. Their diuance is beautiful and they get gorgeous. Their dresses, when discarded, are considered pieces of art and displayed in museums for generations to come.

The glowing damsels

As the ages pass, all long-lost damsels and new ones rise from the earth like a glorious phoenix; their beauty is a constant source of fascination to the world around you. These damsels are adorned in garments which ever fade with time, with timeless style.
