"show stealing green shuit goes out of style. as the colour of love and mischief it remains the quintessential shadow of femininity."

D.No.1002

They may be for the better or the worse.....
but it is the essence that really matters. The change of *fashion trends* is the *additional proof* of this passion of mankind. Fashion color trends and accessories trends are but a few fashion trends to mention. However, the recent accessories fashion trend *presupposes* that these two items should be of *different colors*. This innovation is comparatively hard to get used to, so a good percentage of fashion enthusiasts keep on their former habit of matching the shoes and the purses. There is Who knows, *the accessories fashion may change tomorrow* back to what it originally was.
