

A woman with dark hair tied back is standing in front of a stone archway. She is wearing a long, flowing brown dress with intricate floral and geometric patterns in red, green, and gold. A matching dupatta with a wide, ornate border is draped over her shoulders. She is looking down and to her left with a gentle smile. The background features a series of stone arches and columns, suggesting a historical or architectural setting. The lighting is soft, highlighting the textures of the fabric and the details of the architecture.
